I C School Council Minutes

Fr. Mike opened with a prayer.

In attendance were Jeff Mollenhoff, Doug Kannas, Doug Sadler, Brent Volesky, Fr. Mike, Fr. Paul, Carol Dagel, Angel Oltjenbruns, Pete Bauman and Ray Kranz.

Ray read the minutes from the January 13, 2015 meeting.

Carol talked about the Principal's Report previously handed out. A Teacher Evaluation Procedure for professional growth is being implemented. Previously all teachers were evaluated under a Summative Evaluation method. Future methods of evaluation that are being implemented include Self Evaluation and Goal Setting Evaluations that will rotate every year to hopefully do a more comprehensive evaluation of teacher's performances. She then passed out information on what Dave Todd from Todd Architects assessing the possible usage of the locker rooms as a classroom. Mr. Todd's evaluation was this is not a feasible option as it would cost nearly \$250,000 to make the area usable for upper grades only.

The Budget was then handed out by Angel. The budget shows a loss of \$8827.12, but we haven't been reimbursed \$20,610.68, so that means in reality we are almost \$12,000 in the black instead. Smaller differences were also discussed, but the budget appears to on schedule. For the new school year, the first child's tuition cost is \$1990, second child \$1550, third \$1250. There will be a \$2200 non parish, \$3700 non Catholic rate.

Angel then discussed possible changes in small areas around the school to better accommodate the lack of rooms available for the upcoming year.

Carol handed out anticipated staff changes for 2015-2016 year. Carol wants us to start our STEM program by the 2016-2017 school year.

Fr. Paul closed with a prayer.

Respectfully submitted,

Ray Kranz
