Lunchroom Music

Each day music is played in the lunchroom in an effort to give students a period of quiet time to concentrate on eating their meal rather than visit with their classmates. This past week one of the students believes they heard an inappropriate word in one of the songs. The website (<http://www.kidzbop.com/music>) was suggested to us by another school system. They state on their website that they record kid friendly versions of today's biggest pop music hits sung by kids for kids. We do not know the song that reportedly had the word in it, so we are unable to replicate the situation. We will monitor the music but believe that the music from the site is acceptable for our use.

Columbus Day/Native American Day

We will not have school on Monday, October 12th. We will have KOT, if you have not registered, please do so today, so we can have adequate staffing.

Social Media

At registration all families are asked if it is permissible for their child's likeness to be published on our secure school website and various publications (Watertown Public Opinion, The Cavalier Yearbook, and The Bishop's Bulletin). We cannot, because of the Safe Environment diocesan policy, publish student photos on Social Media sites such as, but not limited to Facebook. Because of this we are asking that you please refrain from sharing photos of students on the Immaculate Conception Facebook page. Thank you for your consideration!

Fall Carnival

The numbers are in; the Fall Carnival netted 924.05, this is pretty awesome considering it was done a quarter at a time! Lots of games were played and everyone had a fun time. Thank you everyone who helped in any way to make this a successful event.

Turkey Bingo

We are in the planning stages for our Second Annual Turkey for Technology Bingo night. It will be held at the Knights of Columbus Hall on November 14th. We will start serving Chili at 5:30 and playing bingo at 6:00. We have lots of great prizes; Vacation Packages to Sioux Falls and Rapid City along with motels and gift cards to local business and of course Turkeys. Come join us for a fun evening.

Conferences

Conference forms will be coming home on Tuesday, October 13th and we would like them back by the Friday, the 16th. Lisa will be out of the office from October 28th through November 6th, so we would like to get everything scheduled before then. Rita Waba will be filling in during Lisa's absence.

Reminder-Peanut Free School

Just a little reminder, that we have several students who are allergic to peanuts. We ask when packing student lunches that you refrain from including peanut butter and jelly sandwiches or anything containing peanuts. Some allergens, with peanuts being one of them, can cause a reaction by simply being inhaled. Your consideration is much appreciated.

Reading for Education

Your response to this fundraiser was awesome, we far exceeded our goal. We receive .50 for each filled out postcard and a percentage of the magazine sales. We will keep you posted as to our end result. Thank you for your generosity.

Sounds like we are going to have a wonderful Fall weekend, please be safe and get out and enjoy God's creation.

Together for Families,

Mrs. Dapel
