

I C School Council Meeting Sept. 9th, 2014

Fr. Paul opened with a prayer.

Those in attendance included Fr. Paul, Fr. Mike, Mrs. Dagel, Jeff Mollenhoff, Brent Volesky, Doug Kannas, Pete Bauman and Ray Kranz.

Ray read the minutes from the April 8th meeting, they were approved.

Board member terms were then discussed. Brent Volesky and Doug Kannas' terms end in July, 2015. Jeff Mollenhoff, Doug Sadler and Pete Bauman's terms end July of 2016. Ray Kranz's term ends in July 2017.

Fr. Wensing mentioned that IC has been named in a pending will.

The Financial Report was looked over and being early in the year, there doesn't seem to be any surprises yet. Motion made to approve, seconded and approved.

Mrs. Dagel presented the Principal's Report. She talked about embracing the challenge of future changes to school systems and the importance of STEM (Science, Technology, Engineering & Math) teaching to stay cutting edge of what is expected in a good curriculum. Also discussed were the coming change in the Watertown School District's elementary education, adding a new middle school and the effect it may have on I C School. Mrs. Dagel then talked about the minutes the state requires for education in a school year. They require 57,750 minutes and I C is scheduled for 60,910 minutes this year.

A volunteer list was then handed out that shows who volunteered to help with the different projects through the year. It is a very good list of volunteers. Pete suggested that Angel ask volunteers in each area to be leaders of that project, so Angel isn't overwhelmed with leading all of the projects.

Fr. Mike closed with a prayer.

Respectfully submitted,

Ray Kranz, Secretary
