

School Council Minutes

May 4th, 2015

Fr. Mike opened with a prayer.

Committee members attending were Fr. Mike, Fr. Paul, Mrs. Dagele, Angel Oeltjenbruns, Pete Bauman, Brent Volesky, Jeff Mollenhoff, Anne Hanson and Ray Kranz. Guests attending were Charlie and Nicole Mack.

Fr. Mike started by reading a resolution put forward by the Finance Council at Holy Name Church. The resolution allowed the Holy Name School facility to be used as a Kindergarten and Pre-Kindergarten facility for a short term. The resolution also recommended the Immaculate Conception building be used for the long term with a plan put in place to upgrade the IC School building. The resolution also called for funding of such upgrade to reach \$1,000,000 before more help with the advancement would be considered by the Holy Name Church Finance Council. Much discussion followed as to the meaning of the resolution, but it is definitely a positive step in both agreeing to usage of the Holy Name facility and the commitment to the IC facility.

Mrs. Dagele discussed the option of split classes and the ups and downs of using this concept. It is still being considered.

Mrs. Dagele was asked by the committee to have an architectural drawing of the proposed addition/upgrade done as soon as possible. Once the drawing is available and the estimates of costs, the School Committee will be in charge of raising the funds necessary.

Fr. Paul closed with a prayer.

Respectfully submitted,

Ray Kranz, Secretary
