## Scholarship Grant Organization

South Dakota Partners in Education (SDPE) is the SGO for granting tax-credit scholarships in the state of South Dakota. We partner with families, schools, donors, and the state of South Dakota to help empower families with educational choice.

A Scholarship Granting Organization (SGO) is a non-profit 501(c)(3) organization that receives contributions from donors and grants educational scholarships to eligible students in South Dakota. Insurance companies that contribute to SGOs participating in the program can receive a tax credit.

For more information about SGOs and South Dakota's Partners in Education tax credits, visit the South Dakota Division of Insurance.

### Eligibility Cycles:

To enable SDPE to track the year a student must reapply, we label each student with the year they qualified. The Category Code designations also recognize that the law allows students that qualify in high school to be eligible until they graduate from high school.

Those qualifying in 9th grade are then eligible without reapplying. If a student's 3-year eligibility overlaps with them entering 9th grade, the family may choose to reapply at 9th grade and receive the high school rate or stay at the same rate and wait until the initial eligibility runs out.

**2 Gen students and F20 students** must reapply for the 2023-2024 school year.

- 1 Gen** – A student who first qualified in the 2016-2017 school year
- 2 Gen** – A student who first qualified in the 2017-2018 school year
